ALL SAINTS' ART AND DESIGN LEARNING JOURNEY

In art and design, children build on 3 key concepts Observe, Experiment and Create which are known as our knowledge gems. Each year children build their knowledge and skills from previous learning and collect knowledge gems and applied through our 'big ideas' lens.

Observe the work of H Moore and crafters from different times and cultures Experiment with refining own designs

Create gummed paper masks

Observe the use of geometric forms in G.Klimt and figurative images in **Experiment layering and overworking**; Create develop their designs in respons

to the above artists

Observe portraiture in different times and styles. **Experiment using different styles** Create detailed analytical drawings using a single element.

Observe linear aspects of the art of Norman Foster and Hundertwasser Experiment natural materials for loom weavina Create a textile batik pieces from their Observe line and contour in the work of P. Heron: cubism Experiment with outlines of objects: different view points Create: refine finale compositions of milti-veiw points

Observe The Poppy by Chinwe Chukwuogo -Rov Experiment reduction printing with tissue paper overlaying Create own batik work in response to The Poppy

UKS2

" Saints' Church of En.

YEAR SIX - DIAMOND 3 D Collage **Textiles Printing** Drawina **Paintina**

Observe the work of A Giacometti **Experiment with Modroc (plaster** bandage) Create an artefact by inlaying different coloured clays

Observe; symbolism of images in D.Devereux-Baker: linear aspect in natural forms Experiment: variety of materials and processes for collage Create: own work in response to a close

3D

Observe-linear aspects it the work of Hundertwasser Experiment with the use of rubbers to draw in the negative Create own enlarged lavered images

Observe textile artwork (art and fashion) Experiment constructing and deconstructing methods Create own work in response to the above techniques; batik (several layers)

Observe Fauvists paintings Experiment with layering, matching and extending patterns Create own work in the style of Fauvism

Observe works of printmakers as a starting point Experiment combining printing techniques Create reduction print using printing block

YEAR FIVE - AMETHYST

Observe different shoe designs

Experiment with clay coils and

fabric 3d forming

Create own shoe design using

gummed paper

Observe: distorted portraits (F.Bacon) and popular images(A.Warhol) Experiment: torn paper figurine collages (Dancers by Matisse) Create: distorted portraits

Observe linear aspect of Bridget Riley and Kandinsky Experiment using a view finder to select a small linear pattern in natural objects Create linear patterns using thin and thick lines in a variety of tonal qualities

Observe latticework and lavering in the art of Michael Brennand-Wood Experiment: mono-printing on fabric and resist methods on dip dyed fabric Create own work using the above techniques

Drawing

Observe G.O'Keefe's application of Experiment painting on different surfaces, overpainting; wet-on-wet techniques (Turner) Create own work using limited

palette

Textiles

Observe African prints Experiment with monoprints using two techniques: collograph Create own work using the above techniques

Painting

Printing

YEAR FOUR - SAPPHIRE 3D Collage **Drawina Textiles Paintina Printing**

Collage

Textiles

Collage

Collage

Observe the art of Howard Hodgekin **Experiment with transferring 2d** design into 3d Create 3d relief paper form

Observe the use of shapes and

lines in the work of A.Goldsworthy

and R Iona

Experiment: relief with natural

materials and clay

Create a decoration with different

coloured clay

Observe: the use of complimentary colours in P.Klee Experiment with different lines in response to Vasarely Create positive/negative inages in response to Matisse

3D

Observe How Vincent Van Gough makes marks Experiment with pencil marks: hatching/cross hatching/different Create a picture using VVG techniques

usina a creative stimulus ea: Poem

Observe patterns in different cultures Experiment using a viewfinder when resording close ups of patterns Create collograph and relief block, printing od different surfaces

Observe a range of colours and brush strokes in Van Gough's Starry night **Experiment with tonking and sgruffito** Create own paint pallettes in sketchhooks

Observe the process of using a stamp Experiment with using a roller Create monoprint and coloured repeated patterns using a plasticine block

Printing

YEAR THREE — EMERALD

Observe the use of symbols in

aboriginal art

Experiment with manipulating

clayby rolling, pinching etc

Create own artefacts in response to

aboriginal art

Observe complimentary colours in Matisse's Snail and Op Art (B Riley) Experiment with leaving narrow and wide spaces between lines Create an image using

complimentary colours

Observe how marks are used for different effect Experiment, with composition and drawing from different viewpoints Create- different textures as a background for drawing

Observe Indian relief printing blocks Experiment dip dyeing and rubbing: card wraps Create own relief printing blocks

Drawina

Paintina

Drawina

Observe Kandinski (shape and colour); A.Frost (use of primary colours); tint Evneriment with different handwriting natterns using a variety of tools Create own work using a story as a starting point

Printing

Textiles

Observe different printed designs (fabric, wrapping paper etc) Experiment with positive and negative stencilling Create clay slab prints using three

Paintina

3D

Collage Drawina

> Observe lines and circles in the work of Goldsworthy and Long Experiment with hot and cold colours Create own work using contrasting materials

Observe

Textures of different shapes and surfaces **Experiment-making marks with** own tools Create marks in response to a

story

Observe the process of water resist

using crayon and brusho Experiment with weaving, knottina, embellishina Create own fabric square using the above techniques

Observe: Jasper Johns' use of primary colours and shape boundaries Experiment: thick and thin paint, mixing primary colours into secondary Create own work in response to stimuli using the above skills

Observe the outcomes of different printing techniques Experiment with using everyday objects as printing material; negative stencilling Create a clay slab block and a collogrph

Printing

YEAR TWO - TOPAZ

YEAR ONE - AMBER

Observe everyday objects to draw everyday objects Create own work using

Observe the properties of different textiles and fabric

Observe a variety of artists (Van Gough, Y.Kusama) Experiment with mark making and Create own work in response to the

Textiles

Observe marks made by printing **Experiment printing using** everyday objects Create own work in response

to stimuli

Paintina

Observe everyday objects related to a topic **Experiment with junk modelling** Create own artefacts using imagination (Easter garden)

3 D

Observe Matisse's Snail **Experiment with shapes** Create own work using sticking and gluing

Experiment using a variety of tools imagination and observation

above artists

KS1

3D

Experiment with wool, ribbons Create own work in response to stimuli

Collage

Drawing

Textiles

Painting

Printing

EYFS — RUBY
