

All Saints' CE Primary School
LIFE LESSONS (PSHE & RSE) Curriculum Plan

INTENT

Through our PSHE curriculum which is known as Life lessons in school, children have the opportunity to develop skills that are needed for now and the future. The curriculum covers various topics including relationships, health and living in Britain and the wider world (in line with the statutory Relationships and Health Education 2019). In each topic, children also have the opportunity to develop their own individual skills for communication, resilience, decision making, assertiveness and self-motivation. As with other subjects, incorporated to the PSHE curriculum are our school values and Christian ethos. Our PSHE programme is also supported by the many extra-curricular activities provided in and out of school contexts.

Language	Britain	People	Faith	Migration	Creativity
PSHE reflects the importance of spoken language in children across the whole curriculum. It provides a nurturing environment for children to share and reflect on their life experiences. It promotes healthy relationships with their peers and adults through effective communication and teaching. It also provides the space for children to speak openly and fosters a place of inclusivity by drawing on a range of	The curriculum prepares children for the skills they need now and, in the future, including living in Britain. Embedded with British Values, PSHE provides an understanding of democracy, government and how laws are made and upheld in Britain and draws on comparisons with other countries. It promotes active citizenship so that children have the skills they need to play an active and healthy part in	PSHE naturally reflects of a wide range of people children encounter; themselves, friends, family and wider community. Children explore safe and healthy relationships including those online. Children will explore aspirational people which could be in their family, community or wider world. Children will also identify who and how to ask for help including emergency services and safeguarding concerns.	The curriculum reflects our core values as a Christian school. Children have opportunities to explore different faith communities exploring the similarities of healthy and loving relationships, healthy lifestyles (including mental health) and development of their spiritual needs. Inclusivity of various family and relationship structures are taught in guidance of Church of	All Saints' has a vibrant, diverse, multi-cultural community where cultures and different religious characters are celebrated within our curriculum and wider opportunities (such as inter-faith week). Children are encouraged to share their family traditions and heritage from all around the whole. Additionally, children explore discriminations and the law at an age appropriate level.	Children have the opportunity to have a creative approach to expressing their learning e.g. role play, debates, mock elections, posters and artwork etc. Learning is evidenced using 'ibooks' which captures children's understanding and learning inclusive of children with SEN and EAL.

Relationship and Sex Education (RSE)

All Saints' CE Primary School
LIFE LESSONS (PSHE & RSE) Curriculum Plan

RSE is part of children’s life-long learning about themselves, their emotions, self-esteem, relationships and rights and responsibilities. As a Christian school, our approach to RSE is taught in the context of Christian beliefs, values and practise. The relationship aspect of this subject (taught in PSHE), emphasises the importance of marriage for family life and recognises the value of forgiveness and reconciliation, in maintaining healthy relationships. In science, children will be taught the physiological aspects of growing up (puberty) and reproduction. The subject is taught in a sensitive manner, according to the age appropriate level and understanding of the children. Parents are informed about the topics covered in the sessions prior to lessons being taught to encourage parental involvement in this important area of children’s development.

Science aspects of RSE

EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
1. Mini-beasts: life cycle of a frog/butterfly. 2. Caring for wild birds in winter – what do they need? 3. All about me: staying healthy and our bodies.	1. Bathing a baby (naming the differences between males and females), draw and label basic body parts of the human body and say which parts of the body are associated with each sense. 2. Caring for an animal – need food, water, shelter. 2. Notice that animals, including humans, have offspring which grow into adults (baby, toddler, child, teenager and adult).	1. Recap language of body parts from Year 1. 3. Find out about and describe the basic needs of animals, including humans, for survival.	1. How does my body change (physically) from a baby to adult? Building on language from Year 2. 2. Identify that humans and some other animals have skeletons and muscles for support, protection and movement (link to movement/support of babies to adults).	1. Preparing for puberty – hair growth and physical changes to my body. 2. The same but different – people change at different times (when your body is ready).	1. Describe the changes as humans develop to old age – including through puberty and male and female reproductive organs.	1. Human life cycle including reproduction and conception (how life begins). 2. What makes people decide to have a baby (reference to Christian values and the importance of a loving and caring relationship).

RSE Vocabulary

All Saints' CE Primary School
LIFE LESSONS (PSHE & RSE) Curriculum Plan

Through our RSE curriculum, children will learn to correct medical/biological names for genitalia and reproductive organs. Using the correct language supports the children's understanding and knowing the right language to describe their private parts of their body is an important part of safeguarding. An outline of the language used across the school is provided below; however, teachers may use additional language to support what is appropriate for the lesson.

Year 1	Year 2	Years 3 & 4	Years 5 & 6
Vagina Penis	Vagina Penis Testicles (if discussed)	Vagina Penis Testicles Breasts Nipples Pubic Hair Puberty Body Odour	Vagina Clitoris Penis Testicles Breasts Nipples Pubic Hair Puberty Body Odour Sperm Womb and Uterus Eggs/Ovum Ovulation Period (Menstruation) Erection Ejaculation Semen Wet Dream Hormones Sexual intercourse Pregnancy Amniotic fluid & sac Umbilical cord Placenta Cervix
