New Vocabulary

Senses	Five ways to understand or experience our surroundings. The senses are touch, smell, taste, sight and hearing.
Skeleton	A framework of a living thing.
Fire Fighter	A person whose job it is to put out fires and rescues people
Paramedic	A health care worker who works for the emergency medical services, usually on an ambulance.
Dentist	A person whose job is the care, treatment and repair of teeth.
Optician	The person you see when you go to buy your glasses that were prescribed by an optometrist.
Harvest	The gathering of ripe crops
Autumn	The season when warm summer temperatures gradually decrease to the cold of winter. Autumn is a time of change, leaves change colour and fall from trees. Animals begin to prepare for winter. They grow thicker coats or store food for the winter.
