## Science Fair

We had a great time at our Science Fair.  
Thank you for joining us. It's not too  
late to hand in your home projects and  
posters.

## Gymnastic Competition

Last week Mr East took a team of gymnasts from  
year 1,2,3 & 4 to the Rise Gymnastics competition.  
They had a great time and showed off the skills  
they've learned in the last couple of months.  
We came in 5<sup>th</sup> place and all the children earned  
an individual award at either Bronze or Silver level.  
We are really proud of them as they all performed  
3 routines they'd learned for the judges.  
The floor routine had 6 skills to learn and remember!

**Music Assembly** A big thank you to all of you who could join our re-arranged Music  
assembly on Wednesday 6th March. The children loved performing for us all.

## Merits

Well done to all of the children who were awarded merits this week for their learning. How much reading and times tables practise have you managed this week?

We love hearing about books you've read and seeing any writing or Homework

you've done at home. Also your teachers are checking to see how much Numbots and TT Rockstars you do.

## Attendance

Please arrive between 8:35 A.M. and 8:45 A.M. and pick up at 3:05 P.M. Please arrive safely!

We are looking for good attendance to be above 96%. Remember every day lost is lost learning. There will be rewards for people with 100% attendance each term. Please try to be in school everyday. At the start of the day children should go straight into class when the door opens and not play in the playground as they are not supervised there. The gate will open at 8.30 am and children should not arrive before this time unless supervised by parents. Thankyou

**Year 4 Sapphire class 93%**
