Please tell us about extra-curricular clubs and activities your child currently attends.

Disability football, physiotherapy, gymfinity, swimming

Homework club extra math football and boxing and swimming

SATs boosters at school, outside of school: cricket, football

My son does a homework club associated with the School and also attends a local Cubs branch (Newmarket 1st Cubs) once a week and a local rugby club twice a week.

Parents with Children with SEND Views

2021-2022 (Survey on Office Forms)

Any other feedback or comments about SEND provision at All Saints'.

I think the SEND provisions at All Saints are of an excellent standard especially when you consider the circumstances the children have been exposed to over the past 18 plus months. The School SEND co-ordinator, Rachel Bacon, I would single out for her continued tremendous support and efforts. Naturally the past 18 or so months have brought significant challenges and should any issue arise the school is always willing to discuss either via Zoom or in-person what they are doing and targets both in school and at home. We, as parents, have received some tremendous supporting literature and supporting information plus support for our son. I would say the School is doing all it possibly can in terms of SEND provision support.

Best

We are so grateful for all that you do for our son and our family.

We are lucky in that our son doesn't need a high level of support and can interact with the class as any other child. However, I feel confident that the SEND provision is comprehensive and inclusive. I don't think that I have seen an iPassport, but could not say that with 100% confidence.
