

# Amber Class (Year 1) Homework

## Autumn Term (2) 2022 – All About Me and Animals

Children should be reading at least three times a week, any book either from school or home and record it on the Go Read app. In addition to this they can log on to Numbots to support their Maths learning at home and Edshed for Spelling practise. Children can also choose (an optional task) linked to our BIG IDEAS. They only have to complete one of these tasks BUT if they would like to do more than one then that is great. Please share any work on Class Dojo so we can celebrate in class and also any 'at home' adventures they would like to share with their friends in class. We love seeing what they have been doing and achieving.

<p><b>WEEKLY ENGLISH HOMEWORK:</b> Reading at least 3 x a week (they should read to you but also it is great for you to model and read to them, a great alternative if they are tired) EdShed Spelling Practise (online) at least once a week.</p>	<p><b>WEEKLY MATHS HOMEWORK:</b> Numbots (Maths Games online)</p>
<p><b>Language: 'Can you use your change your voice like a storyteller?'</b> In class we are retelling the story of the Little Red Hen, when you are reading at home this half term can you practise your storytelling voices? Perhaps your parent can model this for you. This will be great practise for our Christmas Nativity, as we will use our voices when we perform.</p>	<p><b>Britain: 'What countries make up the UK?'</b> We will be learning lots about the UK this half term, looking at the countries that make up the UK, the capital cities and what buildings they have. Choose England, Scotland, Northern Ireland or Wales and make a fact sheet to teach your friends some fascinating facts.</p>
<p><b>People: 'Who lives in the UK?'</b> As part of our Geography we are looking at the United Kingdom and the countries and capital cities that make up the UK. Can you find out about any people who live in a different country to us in the UK? You could write a fact sheet about them or share some facts with the class. What about Roald Dahl from Wales or Ernest Shackleton from Ireland?</p>	<p><b>Faith: 'What have your learnt from BRAVE or INTERFAITH week?'</b> Our BRAVE lessons this half term look at Judaism, can you draw a picture or write some sentences about what you can remember about what Zoe believes in? We have our Interfaith WOW week so you could share some drawings or sentences about what your family believes in (Miss Bacon has made a bunting template for this).</p>
<p><b>Migration: 'Which animals and birds move or hibernate in the Winter?'</b> As the seasons change and Autumn turns to Winter less animals and birds can be seen. Can you find out more about this? Which animals hibernate and why? If you could hibernate where would you go and why, perhaps you could write some sentences or draw a picture about this.</p>	<p><b>Creativity: 'Painting is fun and creative! What can you paint?'</b> We have been looking at different painters and sculptures, can you use paintz (on the computer) or 'real' paint or natural objects at home to paint/make a picture that is inspired by Andy Goldsworthy, Richard Long or Patrick Heron. Don't forget to show your creations on Class Dojo.</p>
