

Year 2 Homework Autumn 1.

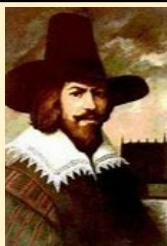

Children should complete the white weekly Maths and English tasks every week to maintain their core skills. Please make sure homework folders are in school every MONDAY to be checked and for new homework to be added. Please send in your child's school reading book EVERY day. In addition, Year 2 children can choose one activity from the six coloured BIG IDEAS during this half term. If children need some resources to complete the tasks please ask Miss Enzel. Please send into school once completed and children can share their learning with the class.

WEEKLY ENGLISH HOMEWORK:

Read at home for at least 10mins three times a week. Please log that you have read with your child using the GOREAD app.
Spelling practice – Online games on Spelling Shed.

Language: Miss Enzel absolutely loves her cat and talks about her all the time! Can you draw a picture of your pet or favourite animal and write a few sentences to describe it?

People: In the 17th Century Guy Fawkes tried to stop James I being king. Can you find out when Guy Fawkes was born, if he was Protestant or Catholic and what country he moved to before coming back to the UK to plot against the king? Make a fact file about him.

Migration: What food do you enjoy eating which originally was made or eaten in another country? Can you help cook some at home, take a photo and write a recipe to share with Miss Enzel.

WEEKLY MATHS HOMEWORK:

TT Rockstars – practise your 2, 5 and 10 times tables. Practise your number bonds to 10 and 20. NumBots covers key Maths skills and children enjoy playing the games.

Britain: London is the capital city of the UK. It has changed a lot since 1666. Can you find out about a famous place in London and design a postcard from London with one of its favourite buildings on the front. Then write to Miss Enzel telling her why she should visit London.

Faith: Our value this term is Respect and Reverence. How do you show respect every day? Write a list of ways you show the people in your life that you respect them.

Creativity: We are learning about the Great Fire of London. The houses in London were very close together and made from wood. Can you draw or made a model of a London house from 1666?
