What we have learnt already

1	Explore	I know the four countries and capital cities of the UK.
2	Navigate	I know the compass has 4 points and shows us direction.
3	Locate	I know that a map is used to show where different areas of the world.

Knowledge Gems

1	Explore	I can describe the differences between a city and a town.
2	Explore	I know that the houses of parliament, Big Ben, the River Thames and the London Eye are in London.
3	Locate	I can find London on a map of England.
4	Locate	I can locate the 7 continents and 5 oceans of the world on a map of the world.
5	Navigate	I can use positional language to describe where landmarks are on the River Thames. (near/far/left/right)
6	Navigate	I can use North, South, East and West to describe the position of the houses of parliament, the monument to the great fire of London, the River Thames and other London landmarks within London.

Words we need to know

1	Compass	A piece of equipment that tells you what direction you are travelling in. The main compass points are north, south, east and west.
2	Human feature	A feature that has been made or changed by people.
4	Houses of parliament	The place where governments meet to discuss how the country is run.
5	Monument	A reminder of an even that happened.
6	Atlas	A collection of maps in one book.
7	Continent	A very large area of land that includes all the islands with it. There are 7 continents: Africa, Antarctica, Australasia, Asia, Europe, north America and South America.
8	Ocean	A large area of water. There are 5 oceans: the Arctic, Atlantic, Indian, Pacific and Southern Oceans.

What we will learn next

1	Navigate	I will be able to describe the position of the equator and North and South Poles.
2	Locate	I will be able to locate the equator, North and South Poles on a world map.
3	Explore	I will compare hot and cold places.
