What we have learnt already

1	Locate	I can find London on a map of the UK and locate the 7 continents of the world.
2	Navigate	I can use positional language.
3	Explore	I can describe differences between cities and towns.

Knowledge Gems

1	Locate	I know that Zambia is a hot country and is south of the equator and Newmarket is in a cold area of the world and north of the equator.
2	Locate	I know where Zambia is on a map of Africa and Lusaka is the capital city of Zambia.
3	Navigate	I know about the physical features in Zambia including hills, mountains, rivers and valleys.
4	Navigate	I know about physical features around Newmarket and Solwezi and compare similarities and differences.
5	Explore	I can explore the geographical differences a small area of Lusaka and a small area of Newmarket.
6	Explore	I can describe where Lusaka and Newmarket are on a globe and a map of the world.

Words we need to know

1	Zambia	A country in Southern Africa.
2	Equator	The mid-line around the earth's circumference. The hottest part of the earth.
3	Hills and Mountains	Natural physical features of the earth.
4	North, South, East and West.	The four compass points.
5	Country	A nation with its own government that occupies a particular area of the world.
6	Continent	A continuous expanse of land. There are 7 continents in the world.
7	Globe	A spherical map of the world.

What we will learn next

1	Locate	I will be able to locate our school on a map of Newmarket.
2	Navigate	I will recognise landmarks of Newmarket and the local area.
3	Explore	I will know the differences between physical features of the local area.
